3. Go to My Profile Section and Create a new Profile and your Resume in institute format with nomenclature <StudentID_Fname_Lname>.

The screenshot shows a web application interface with a dark sidebar on the left containing buttons for 'Submit', 'New Profile', and a 'Search Profiles...' input field. The main area is a modal window titled 'New Profile' with a close button (X) in the top right corner. The modal contains the following fields and elements:

- Profile Name:** A text input field with the placeholder text 'Type here...'.
- Profile Purpose / Notes:** A larger text area with the placeholder text 'Type here...'.
- Attach CV (PDF):** A section with the text 'Max Size 1 MB' and a button labeled 'Click to upload CV'.
- Save:** A button at the bottom of the modal.

4. After creating your profile, click the submit button.

Note that you can have different resumes for different companies by having multiple profiles but all resumes should be in the Institute format.
